# 2015 NATIONAL OFFICERS !!!

OUR NATIONAL PRESIDENT — Jack Mulhall

Dear Fellow NCTers:

As usual, the Mulhalls have had another busy, exciting, and rewarding winter trip, this time to the southwest. After an NCT luncheon with some Winter Texans (and some locals) in Mission, Texas, we moved on to northern California and a visit with the Gold Panners Chapter #154 in Lodi, just south of Sacramento. We also spent some time with our National Director, Wayne Aldrich, and his lovely lady Flossie in Casa Grande, Arizona. In our travels, we continued to keep our eyes glued to the television, feeling badly we were missing the 9 feet of snow that were recorded at home in Boston. Thank you everyone for your hospitality and fun during our visits.

Let me encourage all of you to visit another chapter on your travels this summer and fall. It doesn't have to be a chapter 3,000 miles from home. Even if it is another chapter in your own state or district, 50 miles from your home, I am sure you will be greeted with open arms.

Coming up rapidly is our 50<sup>th</sup> Anniversary National Rally in Essex Junction, Vermont, the 26<sup>th</sup> - 30<sup>th</sup> of July. Check the NCT website [gonct.org](http://gonct.org) for further information updates, registration forms, and Rally Shirt order forms. Please join us. We have a great rally planned for you.

In the call to the organizing rally in August 1966, Myron K. Fox, our founder and first National President, stated that “The National Travelers Club consists of those (Master Masons) who use Travel Trailers, Campers, and other Recreational Vehicles, to sight see, to have fun, to promote good fellowship, to make friends along the way, to get more out of Life, Liberty, and the Pursuit of Happiness.” 21 Brothers and their families attended that first Rally, and sat around the fire in Gettysburg, Pennsylvania, and made plans for establishing the organization that we know today as NCT. A few years later on his 76<sup>th</sup> birthday, Bro. Fox commented, “Group camping and rallies are a great way of life – but fraternal camping and rallies are even greater. It is rewarding to see NCT grow.”

I hope you and your chapter and district will join in the celebration of our first 50 years by holding a special campout, event, or other activity. Let's keep up the Masonic spirit of our founders as we look back on 50 years of friendships and fun, and start the journey together into our next half century.

NCT has continued to be strong for 50 years because of the work of so many National Officers that have stepped forward to help. When you see a National Officer, past or present, please thank them for their efforts to help this organization stand strong and vibrant for another 50 years. Pat and I thank all of these folks, and we thank you, the members, for your support and participation in making our adventures in NCT rewarding and fun.

Happy camping and safe travels,

Jack & Pat Mulhall

## OUR NATIONAL FIRST VICE PRESIDENT — Joe Daws-Knowles

Hello! Hello! Hello! Hope that everything has gone well since the last issue of News to Campers.

Winter seems to have finished although you would never know it from what my sister in Nova Scotia tells me. They got another big shot of the white stuff last Monday and Tuesday. She keeps calling me to get them to send April Showers instead of snow.

Any of us who live north of 49 in eastern Canada are still thawing out. I finally got a call from my resort office yesterday telling me that the water pipes had finally thawed and so now I can start cleaning my rig from all of the dirt that accumulated over the last six months.

Not much news from up here in Canada other than the rate of exchange has once again gone through the roof. \$1.22 Canadian to buy one US dollar which has created a bit of a problem with our rally costs.

I would like to take this opportunity to thank the many clubs who have sent their news letters. Wish I could get out to some of those club rally's.

Well here it is 1 May 2015 and only ten weeks to National in Essex Junction Vermont. Rosalie and I are looking forward to being with you at National.

Keep well and may the Good Lord take a liking to you all.

Fraternally

Joe Daws-Knowles

## OUR NATIONAL SECOND VICE PRESIDENT — Larry Aylestock

Greetings fellow NCT'ers:

Spring has finally arrived after a l o n g winter here in West Virginia. Janet and I didn't travel south this past winter, but we will be joining the 'snowbirds' in Florida next winter, good Lord willing. Reservations have already been made!

Our chapter's first camp-out of the season, April 18 – 20, at Holly Gray Park in Flatwoods, WV included three (3) rigs. It was a little muddy and a little cool, but it was great to be camping.

We are looking forward to the upcoming camping season and all the NCT Rallies we hope to attend including the 50<sup>th</sup> NCT North American Rally at Essex, Junction, VT.

In my last contribution to NTC published in the spring issue, I emphasized the importance of voting in the upcoming election and by-laws proposed changes. As of this writing, I have no idea of the number of votes received from the membership or the outcomes, but I do hope the turn-out was good and showed that there is still interest in keeping our NCT a strong and viable organization.

We look forward in seeing old friends and making new ones at the first two State Rallies we plan to attend this season in Urbana, Ohio June 18 – 20 and Centre Hall, PA June 25 – 28.

Fraternally,  
Larry & Janet

## OUR NATIONAL THIRD VICE PRESIDENT — Doug Buckle

Hello Fellow NCT'ers, Hope this writing is finding all in good health. It's 4:30 A.M. here on May 11<sup>th</sup>. and it is 68 degrees in Southern Ohio. Not sure about you folks, but I don't think Spring came this year. We went from the 20's and 30's to the 70's and 80's. in a matter of just a few days.

I want to thank each and every one of you that took the time to cast your ballot, and vote on the issues at hand in the last "News to Campers". You do make a difference when you cast your vote.

As some of you know, I am a "HAM", no not a pig, but an Amateur Radio Operator, and this weekend is the Biggest HAM radio operator get together in the United States, and maybe the world, in Dayton Ohio, The Dayton Ham Fest. This will be my 14<sup>th</sup> year to attend, and it is a great time for us, as far as people watching, it is 100 times better than walmart. Most of us Amateurs are known as "Geeks" I guess because we are so smart, don't know about that one, but I take all of my radio junk that I no longer need, or really never needed in the first place, and set up out on a parking lot and try to sell it to some other person who needs it worse than I do.

Looking forward to getting out and see our friends and NCT family this summer. Would also ask that you all keep our good friend, and my mentor, Don Burke, and his wife Alta, in your prayers. Don is recovering from a surgery and is now in rehab. They have been through a lot, and still have a long way to go yet. We Love you guys, and can't wait to see you at a camp out again.

As my work schedule allows, we will be attending as many campouts as possible, and I hope to cross your path on my way. We are making plans to attend the Ohio State Rally, Hosted by State Director Dave Vassar and his wife Judy, in June, and then in July, we will be traveling to the National Rally in Essex Junction Vermont in July. Can't wait to see what NP Jack and his crew has in store for us there. Looking forward to great times this summer as we travel.

May God Bless You and keep you safe.

Doug and Lisa

## OUR NATIONAL SECRETARY/TREASURER — Dave Fant

For those members living in the Northern area, a hearty congratulations ; you made it through the long cold winter! For those in the South; thanks for giving those of us who bailed from the North a great winter. I don't know what the Northerners were talking about. I am glad that all had an enjoyable winter and now we can all begin to complain about how hot it is. It seems as though we are never satisfied. To overcome the summer doldrums, lets go canping! That's who we are a group of Masons who like to go Family Camping. The National Rally is almost upon us, and the District, State and Chapter Rally's are all filled with the chance to escape from the daily routine and go out and meet new friends. Take advantage of the opportunity to see this great country.

There are sure enough soothsayers who are willing to champion all the things that are wrong , how about being one of those who celebrate what is right about this great nation and country that we call home. Be it the United States or Canada, this land that we call North America is ours and we need to celebrate all that is good here. Enjoy it, it is ours for only a little while before we hand it to the next generation.

The election results are in; what a great turnout of members voting. Now let's get behind the officers we elected and work with them as we all strive to move forward in the upcoming years and years to come. Hoppy Trails, and Be safe. Hope to see you down the road,

Dave and Pam and Alex too

## ***From our National Safety and RV Legislation Director - Robert Brownback***

The most important factors in tire care are maintaining proper inflation pressures, avoiding excess loading, inspecting tires regularly, and avoiding excess speed.

It is important that tires be properly inflated. Failure to maintain correct inflation pressures may result in fast and uneven tread wear, improper vehicle handling and excessive heat buildup which can cause tire failure.

The recommended inflation pressures for your tires are indicated on the certification label or in your owner's manual. Tires over 5 years old or ones that show signs of cracking on the sidewalls should be inspected by a tire professional to determine if they should remain in service or be replaced

## ***National Historian Notes - Barbara Powers***

At this time the 2015 rally planning is well under way. All committees are preparing for the beginning of our 50th year in NCT history.

As your National Historian, I am trying to compile some interesting historical information about our NCT organization. Check your cellars, closets, attics, and cupboards for old pictures, pages, buttons, or hand-outs and send them in or bring them to the rally. If there are any former National Photographers with pictures they would share, we would like to see them.

Does anyone have any pictures of the following Past Presidents? **Myron Fox, William Daniel, Orval Adams, Loring Stannard, Paul Criswell, F.Arthur Atkins, Lloyd Hauley, James West, Harold Beck, Thomas Walther, or Albert Phillips.** Would you send them to me? Many thanks to Ginny Holden for her help.

It has been fascinating looking back to see what has made us a vital and exciting organization.

See you in Vermont.....  
Barbara Powers, National Historian

## ***Attention Wanted Dead or Alive***

Do you know if your members are dead or alive? Perhaps moved or at home? Even who they are?

When you received a letter from the National Office with the 2015 revised camping schedule, you may have wondered what the notation "Address Service Requested" meant on the envelope. This was a request to the United States Postal Service to return any that were undeliverable for any reason, forwarding time expired, the addressee was deceased, or the address was nonexistence or the like. For any that they could forward it was also a request to send back to the National Office a card with the new address on it. This mailing was an attempt to correct our address list. Why am I telling you this? We received back over 150 undeliverable or changed addresses, mostly undeliverable with no known forwarding address. This means that we send out over 150 News to Campers that just end up in the wastebasket at the Post Office. It also means that we have over 150 members for whom we no longer have addresses. Please make sure that your membership list is current and includes all of your members. These "lost members" were once the officers and life of your chapters. Lets keep them involved in their organization by ensuring that they receive information about their NCT.

## **District One**

It would seem fitting, in our 50<sup>th</sup> year as a Masonic Family Camping Club, to take a moment to reflect on our rich history. Below are the minutes of the organizational rally from August 1966 written by then Secretary/Treasurer 3-C Loring W. Stannard.

### **Organizational Rally Black Horse Tavern Campground Gettysburg, Penn., August 12, 13, 14, 15, 1966**

There being sufficient interest among Camping Families with Masonic Affiliations, these Families assembled at Black Horse Tavern Campground on the above dates to form a National Association.

First, we must enter into this Record the outstanding hospitality of our Hosts, Mr. & Mrs. Thomas Gormley, owners; and Mr. & Mrs. Paul Pensinger, Mrs. Gormley's Parents, without whose concern about our Rally and its Program, we would not have been able to conduct our business with such efficiency. I know it was appreciated by our Chairman, Bro. Myron Fox, to have a Program set up and also a Saturday night Dinner arranged for the group when he arrived at Camp. We are surely indebted to the Gormleys for all that they did to make us feel at home in Gettysburg.

#### **Friday Evening, August 12, 1966 – 7:45 P.M.**

This informal meeting was held in the Campground for the purpose of adopting a Proposal to form a National Masonic Campers Association. There were 13 Masonic Families assembled. The meeting was called to order by Br. Myron Fox, of Brookville, Ohio, organizer of this Rally. Br. Fox gave the Invocation and then proceeded to inform the group of the basic reason for his interest in forming a Club. By joining together we can help each other with information of areas we travel in; visit with members in other parts of the country; and extend a helping hand so that all may enjoy camping trips. Br. Fox spoke of mentioning his idea to the Editors of the ROYAL ARCH MASON MAGAZINE and they suggested he start such a group. Accordingly, he proceeded to set up our First Rally in Pennsylvania. He extended a very cordial welcome to all present and hoped that our efforts would be fruitful during the coming days of organization.

Br. Fox then introduced Wor. Br. Paul Pensinger, District Deputy for the Fourth Masonic District in Penn., and also P.M. of GOOD SAMARITAN LODGE #336, located in Gettysburg, Penn. Wor. Br. Pensinger welcomed us to Gettysburg and especially to Black Horse Tavern Campground, as he has more than a passing interest in its future through the Gormleys. He spoke his words of appreciation for our acceptance of their invitation to hold our Rally there, and that it was their pleasure to do what they did in trying to make our stay enjoyable. Wor. Bro. Pensinger then introduced Wor. Br. Richard Unger, Wor. Master of GOOD SAMARITAN LODGE #336, Gettysburg, who was accompanied by several of his Lodge Brothers. Each spoke a few words to tell us how pleased they were to be with us that evening, and wished us much success with our new venture.

It was then unanimously agreed that Br. Myron Fox should be appointed Organizing Chairman and preside over a meeting on Saturday for the purpose of electing Officers.

All Families present then introduced themselves, in turn, around the circle so that all might be known to each other.

Br. Thomas Guice of Baltimore, Md., spoke of the need for a name and emblem, after it was definitely agreed that we should form a National Masonic Campers Club. He also suggested that we consider holding our future Annual Rallies at selected Historical Sites. He pointed out that we were meeting on hallowed ground on this occasion here in Gettysburg, where men fought and died during the Civil War.

It will be generally agreed that this First Introductory Meeting of Masonic Campers was beneficial to all concerned. It was a friendly gathering of people genuinely determined to form a National Association and to plant the seeds of Brotherhood in Camping through.....

What fruit it will bear remains to be seen as time unfolds itself to us. The spirit of optimism that prevailed throughout the Rally should indicate in some measure that our New Association was off to a good start.

The Meeting was adjourned by Chairman Fox at dusk, after which a campfire was started and a pleasant social hour was enjoyed by all.

Respectfully Submitted  
Loring W. Stannard -Secretary-Treasurer

### ***North Star Travelers #201 District 8***

The non-snowbirds of our Chapter met for a mid-Winter gathering and meal in early March. Six couples made the trek to Russell's on the Lake (the lake was frozen), in spite of the winter storm warning (we are hardy Minnesotans) for a delicious noon lunch and conversation. A message was read from one of our snowbirds saying "Tell everyone Hey for us and stay warm!" It received a rousing "BOOO" from the attendees.

Our annual Spring Camp-In in April had only 5 couples attending, due to various conflicts. After a great potluck lunch (aren't all potlucks great?), a brief Chapter meeting was held. The summer camping schedule was discussed and included a week-long trip to northern Minnesota in June.

It was announced that our long time member, Brother Ken Kobs, was battling cancer and needed our prayers for him and his Lady, Bev.

Jim Partridge

### ***Virginia Cardinals, Chapter 86***

The Virginia Cardinals held their March 21st meeting at Country Cookin in Warrenton, VA. There were 19 people present with 2 guest. We held our business meeting and planned our campouts and host for 2015. Due to illness we had to cancel our April campout but hope most will be on the road again by May. Virginia is having beautiful weather with trees and flowers blooming. We're all excited to go camping again. Greeting to all our NCT Friends.

Respectfully submitted: Ann Gillenwater, Sec/Treas., NCT Ch. 86

## **WV Pioneer Travelers #200**

Today is the first day of Spring and we are setting our sights on camping with NCT. It has been a long cold winter for those of us who stayed in the north east and we are welcoming the warmer weather. We had club dinners in January, February and March. February was on Valentines Day and we had 20 reservations to go

to a wonderful restaurant but as luck would have it we had a very bad snow storm that day. Most cancelled but Aylestock and Groves weathered the storm and had a delicious meal. We had a nice turn out at the March dinner as our campers return from the warm weather.

Our first campout of the season will be in April and many are ready to dust off the cob webs from the RV and head out. Hopefully everyone took advantage and voted in the March issue of News to Campers. This is how your voice is heard. There are several changes that could benefit NCT some will not be in favor but you can't complain either way if you do not exercise your right to VOTE. Look forward to seeing you at the up coming State Rallies and the National Rally. Mark your calendar for the WV State Rally to be held in Flatwoods, WV, Holly Gray Campground on Oct 1-4, 2015. The registration form is in this issue of News to Campers.

# 2015 NCT 50<sup>th</sup> Anniversary National Rally

## PARADES:

Parades Chairman: Joan Groves, 304-745-6191 or joan.groves@yahoo.com

### Parade Theme: The 60's

Judging Categories: Best In Show; Best Dressed Unit; Best Theme Dressed Unit; Funniest Unit; Best Theme Individual Male; Best Theme Individual Female; Funniest Individual Male; Funniest Individual Female.

All encouraged to participate. Win, loose or draw it is the FUN that counts. Let's have a good parade for our 50<sup>th</sup> Anniversary.

### Pet Parade Theme: Hippies

The Pet Parade always has a good turn out and we look forward for the same this year. With this theme I am sure you will not have trouble coming up with a good costume. For those who do not dress up their pets we will also be judging for tricks, obedience, grooming and many other categories. Those of us who own pets know that they are all winners. The YNCT will again be judging the parade.
